RE: Application For Job Post  
SOFTWARE ENIGINEER

Dear Sir or Madam

This communique serves as a job application for the above mentioned post as previously advertised on February 03, 2023.

My name is Chandida Matiha. I am a Solution-driven individual who adepts at contributing to highly collaborative work environment, finding solutions and determining customer satisfaction. Additionally, decision-making and communication are part of my skill set, with proficiency in management. Experience in interacting with diverse populations has given me in-depth understanding and awareness of differences in both individuals and organizations. These qualities will contribute to Uno Tech's mission while positively highlighting the professionalism and competencies in its employees.

For further details of my qualifications, background, and academic history, please find my resume attached.

I am confident that I can contribute positively to the software engineer role, and I welcome the opportunity to speak with you at your earliest convenience.

Sincerely,

Chandida Matiha
